CURBSIDE COLLECTION

CONTAINERS

Containers used for single-stream collection in the MCIA's program include:

- A rectangular blue container with lid
- A round blue container

Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

Collection times are subject to change, and all materials must be ready for pick-up by 6 a.m.

NOT ACCEPTED!

- Recyclables in plastic bags
- Recyclables in containers not at the curb, such as those left near the house, garage or at the top of the driveway

Replacement Containers: If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

New Residents: Contact your municipal recycling coordinator within three months of moving in to obtain free containers. Contact numbers can be found in the municipal section of this brochure.

THE NEW REUSE-IT BOOK

The New Reuse-It Book is a guide to area locations where Middlesex County residents can freecycle or donate their unwanted goods for reuse. The MCIA has made this most recent edition available online at www.mciauth.com for anyone who would like electronic access to the most up-to-date information. If interested in a free printed copy or possible inclusion in the next edition, contact MCIA Public Information Officer Maria Prato by emailing mp@mciauth.com.

E-CYCLING

By law, most consumer electronics, including personal computers (desktops and laptops), monitors, keyboards, scanners, modems, printers, cables and televisions are not allowed in the trash. Check with your municipality's Department of Public Works to inquire if they maintain a recycling drop-off and if these items are acceptable. For additional drop off locations, please contact the New Jersey Department of Environmental Protection at (866) 337-5669 or the Middlesex County Division of Solid Waste Management at (732) 745-4170.

SPECIAL ITEMS

ELECTRONIC WASTE RECYCLING SHED (E-CYCLE): Located at 100 Dey Road, the shed is open every first Friday of the month. Should this date be a legal holiday, the shed will open on the second Friday. Operating hours are 9 a.m. to 12 p.m. (noon). Visit www.cranburytownship.org for more details.

ELECTRONIC/WHITE GOODS: are collected every second Wednesday each month. Call (609) 395-0900 *229 to arrange for a pick-up. There is a fee of \$10 per item for this pick-up service.

• **Electronic Waste (E-CYCLE):** Televisions, VCRs, computer equipment (including, but not limited to, CPUs, monitors, keyboards, scanners, modems, printers and cables), laptops, telephones, irons, fluorescent lamps, fluorescent bulbs and undamaged mercury containing devices (including, but not limited to, thermostats and thermometers).

• **White Goods:** Washers, dryers, ranges, refrigerators, air conditioners, outside grills (including gas tanks for grills), water heater tanks, freezers, stoves/ovens, dishwashers, metal storm doors (without glass window inserts), humidifiers/de-humidifiers, water coolers, metal sinks, and residential kitchen exhaust fans. The preceding list of white goods is not exhaustive; should a question arise concerning whether an item is considered a white good, residents should contact the Department of Public Works for clarification. Note: All devices that contain CFCs must be properly evacuated by licensed individuals as approved by the Township and at the Township's expense. All CFCs recovered must be sent to an EPA-approved reclaimer.

TRASH AND RECYCLING COLLECTIONS: may occur on the same day in some areas. Please be especially careful in using additional containers for your recyclables. Be certain that the additional containers are open, without tops and placed at the curb with your blue MCIA containers, so that they are not mistaken for trash. **DO NOT PLACE RECYCLABLES IN PLASTIC BAGS AT THE CURB FOR COLLECTION.**

ADJOINING RESIDENCES: Neighbors can make recycling collections more efficient by placing their recyclables in one group at the curb. This allows the truck to stop once, instead of two or three times, and saves time. However, you must remember to clearly mark your own containers with your name and address.

FREQUENTLY ASKED QUESTIONS**WHAT IF MY COLLECTION DAY FALLS ON A HOLIDAY?**

If your collection day falls on any of these holidays - New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving or Christmas - collection is rescheduled for the following Saturday. Check your municipal collection schedule in this brochure for specific dates.

Recycling collection is not affected by municipal public works holidays such as Martin Luther King Jr. Day, Lincoln's Birthday, Presidents' Day, Good Friday, Columbus Day, Election Day or Veterans Day. Recycling collections will take place on those days.

WHAT DO THE STICKERS ON MY RECYCLABLE ITEMS MEAN?

These are rejection stickers. The most common reasons for rejection are:

- Trash mixed in with recyclables
- Containers larger than 32 gallons
- Recyclables in plastic bags
- Cardboard not properly prepared

Only recyclables that are properly prepared will be collected.

WHAT IF MY RECYCLABLES WERE NOT COLLECTED?

Your recyclables should be placed curbside the night before your scheduled pick-up or by 6 a.m. on the day of the pick-up. Collection times are subject to change, and all material must be ready for pick-up by 6 a.m.

If your recyclables were out at the curb on time and were not collected, leave the recycling at the curb and call us within 24 hours. If you delay calling, your recyclables may not be picked up until your next collection date.
