CURBSIDE COLLECTION

CONTAINERS

Containers used for single-stream collection in the MCIA's program include:

- A rectangular blue container with lid
- A round blue container

Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

Collection times are subject to change, and all materials must be ready for pick-up by 6 a.m.

NOT ACCEPTED!

- Recyclables in plastic bags
- Recyclables in containers not at the curb, such as those left near the house, garage or at the top of the driveway

Replacement Containers: If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

New Residents: Contact your municipal recycling coordinator within three months of moving in to obtain free containers. Contact numbers can be found in the municipal section of this brochure.

THE NEW REUSE-IT BOOK

The New Reuse-It Book is a guide to area locations where Middlesex County residents can freecycle or donate their unwanted goods for reuse. The MCIA has made this most recent edition available online at www.mciauth.com for anyone who would like electronic access to the most up-to-date information. If interested in a free printed copy or possible inclusion in the next edition, contact MCIA Public Information Officer Maria Prato by emailing mp@mciauth.com.

E-CYCLING

By law, most consumer electronics, including personal computers (desktops and laptops), monitors, keyboards, scanners, modems, printers, cables and televisions are not allowed in the trash. Check with your municipality's Department of Public Works to inquire if they maintain a recycling drop-off and if these items are acceptable. For additional drop off locations, please contact the New Jersey Department of Environmental Protection at (866) 337-5669 or the Middlesex County Division of Solid Waste Management at (732) 745-4170.

FREQUENTLY ASKED QUESTIONS**WHAT IF MY COLLECTION DAY FALLS ON A HOLIDAY?**

If your collection day falls on any of these holidays - New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving or Christmas - collection is rescheduled for the following Saturday. Check your municipal collection schedule in this brochure for specific dates.

Recycling collection is not affected by municipal public works holidays such as Martin Luther King Jr. Day, Lincoln's Birthday, Presidents' Day, Good Friday, Columbus Day, Election Day or Veterans Day. Recycling collections will take place on those days.

WHAT DO THE STICKERS ON MY RECYCLABLE ITEMS MEAN?

These are rejection stickers. The most common reasons for rejection are:

- Trash mixed in with recyclables
- Containers larger than 32 gallons
- Recyclables in plastic bags
- Cardboard not properly prepared

Only recyclables that are properly prepared will be collected.

WHAT IF MY RECYCLABLES WERE NOT COLLECTED?

Your recyclables should be placed curbside the night before your scheduled pick-up or by 6 a.m. on the day of the pick-up. Collection times are subject to change, and all material must be ready for pick-up by 6 a.m.

If your recyclables were out at the curb on time and were not collected, leave the recycling at the curb and call us within 24 hours. If you delay calling, your recyclables may not be picked up until your next collection date.

COMMUNITY EDUCATION

As part of our commitment to protect the environment and promote good recycling practices, the MCIA Education Department offers free recycling presentations to schools, civic and business organizations, senior groups and more.

We now have the latest version of M.C. Blue, the County's fully recyclable robot. Accompanied by an MCIA representative, M.C. Blue is the star of the recycling programs. He has both audio and video capabilities and his presentations are entertaining, as well as educational.
