Book Smart

Students throughout the County are getting hands-on recycling education with the introduction of a book recycling program sponsored by the MCIA and the County. Outdated hardcover and softcover books that can no longer be used, sold or given away are being recycled in this program. Students remove the hardcovers from the books then reap the rewards. The recycling processor pays for each ton recycled.

Shred It!

Middlesex County residents are invited to recycle old documents and confidential files safely and securely at mobile shredding events scheduled throughout the year. Bring old files, receipts, bills, financial statements and any documents that have not been recycled due to confidentiality concerns and watch them get shredded on-site. Call the County Division of Solid Waste Management, 732-745-4170, for dates and locations.
